Hello!

Please reply to my private e-mail ONLY: [gencfranklin@ibibo.com](mailto:gencfranklin@ibibo.com)

With all due respect, I'm contacting you for solidarity on behalf of our United States Troops here in IRAQ ; the essence of this message is to have you assist our Defense Business Agility Forum with transferring allocations, which we want to keep safely overseas under your supervision pending our troop final dismissal anytime this year.

Having received this notification, kindly get back to me with your basic contact information to enable us discuss in a more clarifying manner.

Cordially,

Major-Gen. Craig A. Franklin
